00000" 29/9/2000

A cross-sectional view of a circular device. It features a central core (15) surrounded by a first layer (14), a second layer (16), and an outermost layer (17). The outermost layer (17) has a cross-hatched texture. A label 180 points to the boundary between the second and third layers, and a label 190 points to the outermost layer.
